Tacoma Community College recognizes its responsibility for investigation, resolution, implementation of corrective measures, and monitoring the educational environment and workplace to stop, remediate, and prevent discrimination on the basis of race, color, national origin, age, perceived or actual physical or mental disability, pregnancy, genetic information, sex, sexual orientation, gender identity, marital status, creed, religion, honorably discharged veteran or military status, or use of a trained guide dog or service animal.

To this end, Tacoma Community College has enacted policies prohibiting discrimination against and harassment of members of these protected classes. Any individual found to be in violation of these policies will be subject to disciplinary action up to and including dismissal from the college or from employment. The policy in its entirety is available at tacomacc.edu/about/policies/nondiscrimination-and-harassment-policy-and-grievance-procedure.

Use of Student Artifacts

Some student assignments may be referenced as artifacts and analyzed in conjunction with the college seeking accreditation renewal; needing to demonstrate evidence of expected performance; subjecting itself to external review by accrediting bodies; and/or sharing best practices and lessons learned with other higher education professionals. By attending classes at TCC, students agree to allow access and reference to assignments, usage patterns, and share content and/or information as needed to facilitate such processes and the continuous improvement of college programs.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act requires institutions of higher education to establish written policies and guidelines governing the review, inspection, release, amendment and maintenance of student educational records.

Tacoma Community College has established policies and guidelines to ensure that the education records of its students are treated responsibly in accordance with the act and U.S. Dept. of Education regulations.

TCC directory information can be released without a student's permission. It includes student names, degrees and awards. TCC will also confirm dates of attendance, dates of birth, major field of study, participation in officially-recognized sports and activities, and most recent previous educational institution attended. Release of non-directory information requires a release signed by the student.

Students should be advised that military recruiters may request and receive address and phone listings as well as the above directory information without a signed release.

A student may request directory information be withheld from public release by filing an annual request with the Registrar in Bldg. 7. However, the college may authorize designated persons and agencies access to students' educational records under certain conditions listed in the college policy without the student's consent.

Copies of the college's student educational records policies and procedures may be obtained from the office of the Vice President for Student Services in Bldg. 7.

Students may file complaints concerning alleged failures by the college to comply with the Act or regulations promulgated there under with the United States Dept. of Education (FERPA), Office of the Review Board, Washington, D.C. 20202.

Being under the influence, use, possession, manufacturing or distribution of marijuana, including medical marijuana, is a violation of the TCC Code of Student Conduct and will result in disciplinary action.

This information covers the many health risks associated with the use and abuse of illicit drugs and alcohol, which include liver damage, heart disease, ulcers, brain damage, malnutrition, cancer, and damage to a developing fetus. These risks may adversely affect one's learning environment, work and personal life.

Student use, possession or distribution of alcoholic beverages, narcotic drugs, or controlled substances or being under the influence of alcohol or illicit drugs on campus or at any college-sponsored event is prohibited. (Exceptions for use of alcoholic beverages may be made with permits and by approval of the college president.)
